Hi Reid,

I'm attaching my preliminary comments on the Subpart W economic impact analysis (i.e., section 6 of the BID). I'll forward the final version of my comments later today after I comb the document one more time and add a couple more comments. But this will give you a pretty good idea of where I'm going, so I wanted to get it to you before the 11:00 call. Overall, the analysis looks OK but does need some further refinement.

Talk to you shortly.

Barry

Hi Barry,

Have you had a chance to look through the Subpart W economic impact analysis? If so, I would welcome any comments you have to improve the document. Thanks

Reid
